November 2020

President's Message:

When you reach a certain age the Thanksgiving and Christmas seasons seem more and more to vividly evoke the memory of past seasons, of nostalgic moments that dart by in the blink of an eye. The following story consistently pops into my mind when I am in one of my seasonal reflective moods:

When Mrs. Klein told her first graders to draw a picture of something for which they were thankful, she thought how little these children, who lived in a deteriorating neighborhood, actually had to be thankful for. She knew that most of the class would draw pictures of turkeys or of bountifully laden Thanksgiving tables. That was what they believed was expected of them.

What took Mrs. Klein aback was Douglas's picture. Douglas was so forlorn and likely to be found close in her shadow as they went outside for recess. Douglas's drawing was simply this: A hand, obviously, but whose hand? The class was captivated by his image. "I think it must be the hand of God that brings us food," said one student.

"A farmer," said another, "because they grow the turkeys."

"It looks more like a policeman, and they protect us." "I think," said Lavinia, who was always so serious, "that it is supposed to be all the hands that help us, but Douglas could only draw one of them."

Mrs. Klein had almost forgotten Douglas in her pleasure at finding the class so responsive. When she had the others at work on another project, she bent over his desk and asked whose hand it was. Douglas mumbled, "It's yours, Teacher."

Then Mrs. Klein recalled that she had taken Douglas by the hand from time to time; she often did that with the children. But that it should have meant so much to Douglas ...

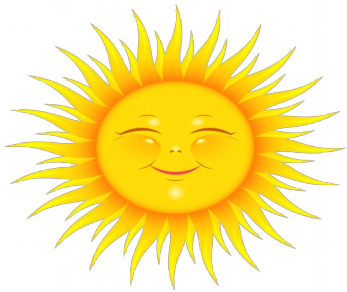

Perhaps, she reflected, this was her Thanksgiving, and everybody's Thanksgiving—not the material things given unto us, but the small ways that we give something to others.

As teachers, we all have our share of students like Douglas. We have all been the 'hand' that has helped our students move beyond a stumbling block, move forward, move in the right direction, and move to understand care and compassion. In DKG, and especially in Alpha Beta, we continually 'give something to others;' we seem to always be willing to lend a helping hand.

I am so grateful for your willingness to share your time, talents, and resources to the work that our chapter is doing. The recent successes of our Weekend Backpack food collection, the awesome donations to the Jabulani School to feed its students, and the work of those making our fleece blankets show just how willing we are to lend that helping hand. The work that is being done by all of our committees makes my heart smile for through that work, your passion for and dedication and commitment to the purposes and values of DKG comes shining through. You continue to make magic happen and the ripple effects of that magic will be far reaching. May your days in the coming months glow with goodwill and kindness, and may the holiday season leave you with blessings that will warm your heart throughout the year!

Appreciating the magic of your helping hands,
Becky

Thank you to Melissa Flynn for introducing our local author; Shirley Stuby to our group at our October 6th meeting. Shirley shared about the theme of her book, how the idea of her book came about and the struggles she encountered to get her book published. Shirley is shown here posing with her book, mascot and our President; Becky Johnen at the end of the meeting.

Ways and Means Committee

At the October 6 meeting Delta Kappa Gamma items that had belonged to Barbara Allison and a few other Alpha Beta members were made available for a monetary donation to benefit the Ways and Means Committee. Members enjoyed looking at pins, bags, and other items and then donating to the cause. In all \$67.00 was donated to benefit the Ways and Means Committee.

The Ways and Means Committee would like to remind members that our first fundraiser for the Ways and Means Committee is going to be held at Pizza Hut in Bedford on November 17th from 4-9 PM. Thank you to all chapter members for their assistance in getting the word and coupons out to prospective Pizza Hut customers for our first fundraiser. Hopefully, all goes according to plans and it is a successful fundraiser for our chapter.

Flyer is attached to this email if you need to print out any additional coupons.

The traditional December raffle will be held at the Christmas tea. Chapter members are encouraged to contribute items worth at least \$5. Raffle tickets will be sold for \$1 apiece or 6 tickets for \$5. Remember to bring address labels and cash.

“Operation Toasty Tootsies”

It warms our hearts that our chapter has provided 40 fleece blankets to those less fortunate since December 2019! Thanks to the members who have helped cut and knot fleece blankets and for their monetary donations to our Project!

On October 28th while talking with Stan Howes; a representative from Children & Youth Services I asked if there is something else that is needed by the children and teens in Bedford County. He replied “Socks”! It is such a need by those who benefit from Children & Youth Services. So if you are shopping in the coming month the Projects Committee asks that you purchase a few pairs or packages of socks. The sizes needed are for infants to teens. Please bring them to the December meeting. It is such a great feeling to know that we will warm the feet

of those in need through our “Operation Toasty Tootsies” donations at our December meeting.

-Linda Clapper

A Little Change Makes A Big Difference for Jabulani School

“Give Two Cents and Make Change” for the Schools for Africa Project was a very successful project chaired by Pat Brenner in 2012-2013! Linda McCahan helped me with making the cloth bags to save money for the project. We are pleased to be able to “recycle” those bags as we

are now collecting money to help provide meals for the students at the Jabulani School in Africa! At the October meeting the bags were distributed to the members who were present.

Please return your bag to the December meeting with your donation to the Jabulani School. As we know “A Little Change Makes A Big Difference” in the lives of others. Your donation is very much appreciated.

-Linda Clapper

L to R: Jennifer Harclerode, Linda Clapper, Kris Walters, Lois Stoner, Sonya Browell, and Judy Conrad pose with some of the donations made by our chapter to the Weekend Backpack.

Making A Difference In Our Communities

Weekend Backpack donations that were collected at the October meeting for the local school district's Weekend Backpack Programs. Members have collected food items for delivery to area schools and have also donated \$450 to the Jabulani School in Africa to provide the students there with one meal a day for five months.

State Convention Basket

'Tis the season for giving! Because we have observed our first sightings of the "white stuff" it might be an appropriate time to think of donations to our "Snow Day"-themed basket for State Convention for this coming June. Items will be collected at upcoming chapter meetings in December, March and May.

Creatively Recruiting

Letters have been sent to the 19 principals in our seven districts as well as to the school superintendents asking them to send us the name of at least one outstanding women educator in each of their districts. We anxiously await hearing from them.

Our members active in the field have submitted 19 names of colleagues they consider outstanding women educators. Recognition certificates will be sent to everyone and when Covid-19 is more under control, these educators will be invited to one of our meetings or to a meet-and-greet activity.

Remember to be on the lookout for someone with whom you work or have worked who would be a great fit for our chapter as well as benefit from membership in DKG. Recommendation for Membership forms or prospect cards are available from Laurie and Becky.
